

## Professional Turf Products Field Service Agreement

- ***Increase Productivity*** — PTP mobile technicians will visit your facility for scheduled maintenance and repairs.
- ***Cost Savings*** — Reduce parts and repair expenses while also eliminating tool and equipment investment by utilizing our service solutions. Customary “trip charges” are waived under our service agreement.
- ***Customized Service*** — PTP will establish a service solution that meets your specialized repair and maintenance needs.
- ***Communication*** — PTP will thoroughly inspect your equipment and communicate our findings during each visit. We will help educate your staff with daily maintenance and operation practices that will maximize the life of your equipment.
- ***Expert Technicians*** — All PTP technicians are Toro factory trained and certified experts at evaluating, diagnosing, repairing and maintaining all brands of equipment.
- ***EETC Trained & Certified*** — PTP is committed to providing superior service to our customers. In addition to factory training, PTP independently certifies all technicians to ensure our customers receive the highest quality service available.
